state

Jessica

Field	Description	Type	Default	Other
state_id		serial		PK
state_abr		varchar(2)		
state_name		varchar(30)		
lifeQualityRank		integer		
healthCareRank		integer		
educationRank		integer		
economyRank		integer		

housing

Andrey

Field	Description	Type	Default	Other
state_id		integer		FK
date		date		
MedianListingPricePerSqft_AllHomes		integer		
MedianRentalPricePerSqft_AllH		integer		
PctOfHomesDecreasingInValues_AllHomes		float		
PctOfHomesIncreasingInValue		float		

income

PK (state_id, date)

Andrey

Field	Description	Type	Default	Other
state_id		integer		FK
household_income		float		
year		integer		

crime

Andrey

Field	Description	Type	Default	Other
state_id	add	integer		FK
year	add	integer		
crime_rate_per_100000		float		

Field	Description	Type	Default	Other
CPOPARST		float		
CPOPCRIM		float		
AG_ARRST		float		
AG_OFF		float		
COVIND		float		
INDEX		float		
MODINDEX		float		
MURDER		float		
RAPE		float		
ROBBERY		float		
AGASSLT		float		
BURGLRY		float		
LARCENY		float		
MVTHEFT		float		
ARSON		float		
population		float		
FIPS_ST		float		
FIPS_CTY		float		

public_schools

Jessica

Field	Description	Type	Default	Other
state_id		integer		FK
City		varchar		
SchoolName		varchar		
Address		varchar		
Zip		integer		
X		float		
Y		float		
DistrictID		integer		
StartGrade		varchar		
EndGrade		varchar		

hospitals

Harry

Field	Description	Type	Default	Other
state_id		integer		FK

Field	Description	Type	Default	Other
name		varchar		
address		varchar		
city		varchar(30)		
zip		integer		
website		varchar		
owner		varchar(30)		
raiting		float		

unemployment

Harry

Field	Description	Type	Default	Other
state_id				FK
regionCode		int		
regionName		varchar		
year		float		

min_wage

pk(regionCode, year)

Raven

Field	Description	Type	Default	Other
state_id				FK
Year		integer		
min_wage		float
